**Shri Dr. Chenraj Roychand
Founder of Jain Group of Institutions & Chancellor of Jain University
Bengaluru, Karnataka.**

Respected Dr. Roychand,

Today I wish a very Happy Birthday to a truly wonderful legend of JGI Group of Institutions.

To the man who has fought hard to bring this JGI Group of Institutions to greater heights, to the man who has always inspired us to be better than what we are, to the man who has been the leader for us to look up and get inspired. Your story of reaching the heights success has always served as an inspiration to all of us. I only hope you keep giving us many more stories to get inspired from your vision and insights were enough to inspire anyone who met you. I hope I could keep learning a lot more from you. The time with you has been much amazing. The way you inspire optimism and enthusiasm in all of us every day is miraculous. I only hope the best of things for you today and forever.

You are a beacon of light in this institution and we are so glad to have you with us. There is no better role model than you, you have such a positive influence. You truly are such a wise person and a great source of knowledge! I have learnt so much from you! In this cut-throat completion, thank you for putting your trust on us. We hope we have been good on our part and promise to continue doing so Words might not be enough to describe how your support helped us grow into what we are today. So, I can simply say thank you and hope this collaboration continues for a long time.

And once again I wish you a Happiest 60th Birthday!!
