Dear Dr. Chenraj Roychand,

Greetings from Muscat, Oman!

“Leadership is the capacity to translate vision to reality”- Warren G. Bennis

On behalf of The CrossRoads International, wishing you a very happy birthday. You are a testimony and a true inspiration of how a leader can translate vision into reality. What others would have considered sheer impossibility, you have made happen. Not only have you helped young, brilliant minds achieve their life’s dreams but you have also willfully worked towards developing the very foundation of the nation. You have built an amazing team who carry the baton of your esteemed Institutions across nations. Raj has been an outstanding support for us from the Oman perspective. We express our heartfelt wishes that you carry your good work and continue to be a torchbearer in the field of Education.

Wishing you a very happy birthday! May God grant you His choicest blessings!

Best Regards,

Annie Melinda
